How To Check Your Status

City of Omaha Permits & Inspections
Open The Permit

Select the link within the permits list or type in the permit number in the Search Box.
Navigate To Processing Status

Click on *Record Info* and then select *Processing Status* from the drop-down list.
Checking The Processing Status

If there is an hour glass next to it, then it is active. You can expand each one by clicking the drop-down arrow to see the status of each one.
